Map accompanying the application for permit to appropriate water by Jesse Newton. Payette Idaho May 22 1916

J. C. Plattig of Payette Idaho do hereby Certify that this map was made from notes taken during an actual survey made by me on the 18th day of May 1916, and that it correctly represents the works described in the accompanying application, together with the location of streams and other ditches in the immediate vicinity.

Scale 2 in = 1 mile

J. C. Plattig
