

SKETCH

SHOWING
The Location of the

Phillips & Ingle
Main Eagle Creek Feeder Ditch
which is to supply water into west
Eagle Creek above intake of Sparta
Ditch for Sparta Irrigation Co's use
in lieu of West Eagle Creek waters
taken from said stream through Phillips
& Ingle Ditch located above.

Said ditch is located in Secs. 15, 16,
20 & 21, T. 6 S., R. 43 E. W. M. Oregon
Total length 2 miles.
Surveyed Sept. 15, 1917.

I, F.A. Phillips of Baker Oregon
do hereby certify that this map was made
during an actual survey made under my
supervision and that it correctly represents
the works accompanying application, together
with the location of streams and other
ditches in the immediate vicinity
