

I, E. H. Kern, of Coquille Coos County Oregon, do here by certify that this map was made from notes taken during an actual survey made by me on the 27th day of July 1929, and that it correctly represents the works described in the accompanying application together with the location of streams and other ditches in the immediate vicinity.

E. H. Kern  
Registered Professional Engineer  
Ore No. 843 - Dec. 31st 1919,

Scale 1" = 200 ft.
