Twp	Rng	Mer	Sec	Q-Q	Acres	Tax Lot
4 N	28 E	WM	23	SW NE	0.2	204

6. Transfer T-11258 was filed on June 2, 2011, proposing a temporary change in place of use and point of appropriation to accommodate the place of use change. The transfer was approved on August 15, 2011 by Special Order Volume 85, Pages 75-78. The temporary transfer expires at the end of the 2015 irrigation season; however the applicant requested that T-11258 be terminated upon approval of T-11255.
7. Notice of the application for transfer was published on June 7, 2011, pursuant to OAR 690-380-4000. No comments were filed in response to the notice.
8. On September 13, 2011, Department staff met with the agent and hand delivered copy of the Draft Preliminary Determination proposing to approve Transfer Application T-11255. On September 29, 2011, the applicant requested that the Department proceed with issuance of a

Preliminary Determination and provided the necessary information to demonstrate that the applicant is authorized to pursue the transfer.

Transfer Review Criteria (OAR 690-380-4010)

9. Water has been used within the last five years according to the terms and conditions of the right. There is no information in the record that would demonstrate that the right is subject to forfeiture under ORS 540.610.
10. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right was present within the five-year period prior to submittal of Transfer Application T-11255.
11. The proposed changes would not result in enlargement of the right.
12. The proposed changes would not result in injury to other water rights.

Determination and Proposed Action

The changes in point of appropriation and place of use proposed in Transfer Application T-11255 appear to be consistent with the requirements of ORS 537.705 and 540.505 to 540.580 and OAR 690-380-5000. If protests are not filed pursuant to OAR 690-380-4030, the application will be approved.

If Transfer Application T-11255 is approved, the final order will include the following:

1. *The changes in point of appropriation and place of use proposed in Transfer Application T-11255 are approved.*
2. *Temporary Transfer T-11258 is terminated.*
3. *The right to the use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificate 79889 and any related decree.*
4. *Transfers T-11254, T-11255 and T-11256 all modify water right certificate 79889. Certificate 79889 will be cancelled upon issuance of the final orders for these transfers. A new certificate will be issued describing those portions of the right not affected by these transfers.*
5. *The quantity of water diverted at the new point of appropriation shall not exceed the quantity of water lawfully available at the original point of appropriation.*
6. *Water use measurement conditions:*
 - a. *Before water use may begin under this order, the water user shall install a totalizing flow meter, or, with prior approval of the Director, another suitable measuring device, at each point of appropriation.*

b. *The water user shall maintain the meter in good working order.*

c. *The water user shall allow the Watermaster access to the meter; provided however, where the meter is located within a private structure, the Watermaster shall request access upon reasonable notice.*

7. *Water shall be acquired from the same aquifer (water source) as the original point of appropriation.*
8. *The former place of use of the transferred right shall no longer receive water under the right.*
9. *The approved changes shall be completed and full beneficial use of the water shall be made on or before **October 1, 2012**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.*
10. *When satisfactory proof of the completed changes is received, new certificates confirming the right transferred will be issued.*

Dated at Salem, Oregon this 7 day of October 2011.
