5. ATTACHMENTS

	Dr.
5 ATTA(CHMENTS
Check each of the following attachme	ents included with this application. The equired attachments are not included. APR 06.2012 SALES OFFICE OF THE SOURCE OF THE S
Supplemental Form A — Description of Proposed Change(s) to a Water Right ☐ A separate Supplemental Form A is enclosed for each water right to be affected by this transfer. Map ☑ Temporary Transfer A map meeting the requirements of OAR 690-385-3300 must be included but need not be prepared by a Certified Water Right Examiner. Consent to Transfer ☐ A copy of the written consent, if applicable, for a change in type of use of a water right to store water.	Supplemental Water Right Statement A written statement, if applicable, identifying supplemental water rights that will not be transferred, but remain unexercised at the authorized place of use during the irrigation season. Water Well Reports/Well Logs: The application is for a change from surface water to ground water and copies of all water well reports are attached. Water well reports are not available and attached is a description of construction details including well depth, static water level, and information necessary to establish the ground water body developed or proposed to be developed. The application is for a surface water transfer and water well reports are not required. Fees:
	 ✓ Amount enclosed: \$1460.00 See the Department's Fee Schedule at www.wrd.state.or.us or call (503) 986-0900.
6. SIGN	ATURES
such authorization is on file with the district; at (3) The district has notified each affected user that at any time to the extent necessary too avoid in water on lands from which the water right is tra	s provided written authorization for the transfer and nd the Department may condition or reject the transfer njury to an existing water right, and that the use of
On behalf of the district, I affirm that the information	n contained in this application is true and accurate.
	e (print) date
	$\frac{3/29/20/2}{\text{date}}$
Before submitting your application • Answered each question completely.	to the Department, be sure you have:
Included all the required attachments.	

Included a check payable to the Oregon Water Resources Department for the appropriate amount.

The point(s) of diversion for the water right proposed for transfer are as follows:
