Table with 5 rows and 3 columns: Right Type, Certificate/Decree/Permit Number, and Date Claim of Beneficial Use Submitted.

- Name on Permit, Certificate, or Decree: Westland Irrigation District
Priority Date(s): July 1907

If there are multiple Priority Dates identified on the water right, any information provided in Supplemental Form A of this application must identify which priority date is associated with each of the authorized points of diversion or appropriation and places of use.

Source(s) of Water to be Affected by Transfer: Umatilla River

Tributary to: Columbia River

- Are there other water rights, Permits or Ground Water Registrations associated with this land?
[X] Yes [] No

If "Yes", what are the Permit, Registration or Certificate Numbers? 79439

Any "layered" water use or a right that is supplemental to a primary right proposed for transfer must be included in the transfer or be cancelled.

▪ Certificate Number or other identifying number: **76717 T-9311**

The following information must be provided only for those points of diversion or appropriation that are involved in the transfer.

If a point of diversion or appropriation is not numbered on the decree or water right certificate or permit, assign it a unique number in the following table (e.g. POD #1 or POA(well) #1). Use the number to refer to the point of diversion or appropriation serving the place of use described in Tables I and II. Note: Permanent district transfers do not allow for a change in point of diversion or appropriation to serve the proposed place of use.

Government lot and donation land claim numbers must be included in the table below **only** if the information is reflected on the existing water right.

Location of Existing Authorized Point(s) of Diversion (POD) or Appropriation (POA):

If a point of diversion or appropriation is not numbered on the decree or water right certificate or permit, assign it a unique number in the following table (e.g. POD #1 or POA(well) #1). Use the number to refer to the point of diversion or appropriation serving the place of use described in Tables I and II. Note: Permanent district transfers do not allow for a change in point of diversion or appropriation to serve the proposed place of use.

Government lot and donation land claim numbers must be included in the table below only if the information is reflected on the existing water right.
