INSTRUCTIONS

FOR TRANSFER APPLICATIONS

Note: All information should be typewritten or neatly printed with dark ink. All items must be completed even if parts or all of the required information appears on supplemental maps or drawings. Applications must be submitted on original forms that are provided by the Department or watermaster. Sign the forms in ink. If you have additional comments that will not fit on the form please submit an attached sheet referencing the section and question.

1. APPLICANT INFORMATION

You may include a fax number and an e-mail address if you have these. (These numbers are not required but they may assist the Department in contacting you.)

2. TYPE OF CHANGE

Mark the proposed change to your existing water right and describe the reason for that change. You may apply to change all three major components of your water right, however, you must pay the transfer fees for each change.

Indicate if the land is within an irrigation district. The Department is required to notify irrigation districts if transfers are proposed within their boundaries.

3. CURRENT WATER RIGHTS

Indicate the name on the current water right. Enter the decree, permit or certificate number, whichever applies. Also enter the priority date, authorized use, source of water, and the county it is located in. If the use and source are in different counties, please indicate.

Fill in the table locating the place(s) of diversion (surface water) or point(s) of appropriation (wells).

Fill in the table locating the place(s) of use.

Describe the general delivery system. Include type, size, length, measurements.

Finally, list the capacity of the delivery system in cubic feet per second (cfs).

4. PROPOSED CHANGES

If you are proposing a change in type of use, check the box and provide the proposed new use.

If you are proposing a change in the point of diversion (surface sources) or appropriation (wells) check the box and then indicate if it will be a change or an addition to the existing water right.

Fill in the table locating the new place(s) of diversion (surface water) or point(s) of appropriation (wells).

For a change in the place of use, check the box and fill in the table locating the new place(s) of use.

5. LAND OWNERSHIP

Answer only the section(s) that apply.

If you are changing the type or place of use: Indicate if the lands are free of "encumbrances": liens, rights-of-way, or other contracts. If not, provide the name of the holder and obtain written permission from them to proceed with the transfer.

If you are applying for a transfer on land that you do not own: Provide names and addresses for all the landowners shown on the deed. You must obtain notarized permission from all the landowners listed on the deed to proceed with the transfer.

If the transfer will change water rights to someone other than the landowner or applicant: Check the appropriate box to indicate whom the Department should work with to complete the transfer.

6. EXHIBITS

Depending on the type of change you are proposing, you may be required to include several exhibits with your application.

For most applications you will need to include a completed Land Use Information Form. If you meet the four listed criteria, you may submit your application without the Land Use Information Form.

All applications require a map. If you are applying for a water right transfer, the map must be prepared by a certified water rights examiner (CWRE). If you do not have a CWRE, you may contact the Department for more information. All other applications may provide maps prepared without a CWRE.

All applications require evidence of use within the last five years.

Applications for changes in or to point(s) of appropriation require well reports.

7. SIGNATURE:

Before signing the application be sure you have answered the questions completely and prepared the necessary maps and exhibits. Include a check made out to the Oregon Water Resources Department for the required fees and a completed Land Use Information Form (if required).
