In your own words tell us what change(s) you want made and the reason for the change(s): **Hermiston Foods has purchased adjoining property from two individuals. This transfer will allow water to be used from multiple wells on land covered by existing ground- water rights. The water from the different wells will be pumped to a pond that will be used as a bulge in the system. Then, the water will be distributed from the pond to the fields when needed. This will allow water to be used in the most efficient way for irrigation.**
