Additional remarks: The Land Use Information Form identifies that tax lots 100, 200, 201, and 300 in Section 10 are not zoned Industrial (M-1). Also that tax lots 1301 and 1303 in Section 11 are not zoned Industrial (M-1). The landowner has been informed of this and understands that unless there is a change in zoning the industrial use can not be proven on those lots.
