Dear Gen:

Thank you for participating in the Short-Term Instream Leasing Program and the Deschutes Groundwater Mitigation Program. I want to express appreciation for your participation in these programs and cooperation in helping to improve streamflows for fish and aquatic life.

Enclosed is a copy of a correcting order for Special Order Volume 92, Page 1022, Instream Lease IL-1405 and Mitigation Credit Project MP-189. This correcting order is issued to correctly describe the zone of impact in which mitigation credits may be used. If you have any questions, please call me at (503) 986-0884.

Sincerely,
