Dear Mr. Sauter:

As per our phone conversation today, I am sending the request for assignment forms required by your agency and a check for \$150.00 to cover the fees on transfers T-10141 and T-10142. Also enclosed is a copy of the Statutory Warranty Deed transferring the property containing the 17 acres of water rights in question from Loretta M. Shakelford and her daughter Kathleen L. Woods to my wife Catherine and myself.

I may have inadvertently sent your department a duplicate letter with check and without this cover letter. If that in fact turns out to be the case please destroy the redundant check.

Regarding the contract with the Bureau of Reclamation (BOR) for stored water in the Applegate reservoir, the chairman of our pump group has been working with Mr. Daniel Newberry to secure a contract with BOR for all four members of our pump group. To the best of my knowledge that contract should be completed by this summer.

Thank you in advance for your assistance and if you need any additional information please contact me at your convenience.

Sincerely,

Philip Scuderi
