Thank you for participating in the Short-Term Instream Leasing Program. I want to express appreciation for your cooperation in helping to improve stream flows for fish and aquatic life.

Enclosed is a copy of the final order approving instream lease IL-1421. The Final Order identifies that the Department was unable to lease the stockwater portion of Certificate 37034 to instream use due to incomplete information.

If you have any questions, please call me at (503) 986-0884.

Sincerely,

for Laura Wilke
Flow Restoration Program Coordinator
