Dear Natasha:

Thank you for participating in the Short-Term Instream Leasing Program. I want to express appreciation for your participation in these programs and cooperation in helping to improve streamflows for fish and aquatic life.

Enclosed is a copy of a correcting order for Special Order Volume 92, Page 1018, Instream Lease IL-1415. This correcting order is issued to correctly describe streamflow losses, the duty associated with the right leased instream and the resulting instream use. If you have any questions, please call me at (503) 986-0884.

Sincerely,

Laura K. Wilke

Flow Restoration Program Coordinator
