Thank you for participating in the Short-Term Instream Leasing Program. I want to express appreciation for your cooperation in helping to improve stream flows for fish and aquatic life.

Enclosed is a copy of the final order approving instream lease IL-1430 (reassigned from IL-912). The final order identifies that Certificate 3945 could not be included as part of the renewal of the lease application. This right is layered with senior water rights and it was not clear what portion of the right was available to be leased, specifically that portion that may be layered with Certificate 25088.

If you have any questions, please call me at (503) 986-0884.

Sincerely,

for

Laura Wilke
Flow Restoration Program Coordinator
