Reference: Instream Lease Application, IL-1433

The above referenced Instream Lease Application was withdrawn from the record of the Water Resources Department on January 6, 2015 by Special Order Volume 93, Page XXX (copy enclosed).

The Instream Lease Application has no further force or effect.

The original application included an application fee of \$450 to cover the costs of processing a lease involving four certificates. However, one of these certificates was found to be cancelled. The correct application fee was therefore \$300.00. You will be refunded the difference for a lease involving three certificates.

Enclosed please find the refund for the original application fee of \$150.00
