Re: Termination of IL-1123 / MP-145

On May 12, 2011, the Department issued an order approving IL-1123 and Mitigation Project MP-145. The mitigation project was awarded 540.0 mitigation credits for use in the Little Deschutes Zone of Impact, of which 502.0 mitigation credits were available in the Upper Deschutes, Middle Deschutes and General Zones of Impact.

On March 10, 2015, the Department received a request from Wanek Ranch, LLC., and the DRC Mitigation Bank to terminate the instream lease and mitigation credit project. The lease has been terminated by the Department and the mitigation credits awarded to this project were no longer valid as of December 31, 2014.

Enclosed is a copy of the final order. If you have any questions, please call me at (503) 986-0898.

Sincerely,

Derrick Wheeler
Natural Resource Specialist
