Dear Gen:

Thank you for participating in the Short-Term Instream Leasing Program and Deschutes Mitigation Credit Program. I want to express appreciation for your participation in these programs and cooperation in helping to improve streamflows for fish and aquatic life and to provide mitigation water to ground water users in the Deschutes Ground Water Study Area.

This instream lease has been approved and has been awarded mitigation credits.

Enclosed is a copy of the final order approving the instream lease and mitigation credit project. If you have any questions, please call me at (503) 986-0884.

Sincerely,

Laura Wilke
