Enclosed is a final order modifying the approval of Instream Lease IL-1449, as evidenced by Special Order Volume 96, Page 118, issued by the Department on June 5, 2015. Following issuance of that final order, the Department identified that the instream lease needed to be modified to prevent injury to other water users.

If you have any questions, please call me at (503) 986-0884.

Sincerely,

Laura Wilke
