Application G-16845

The assignment by proof from Whitehorse Ranch, LLC to BTAZ Nevada, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show BTAZ Nevada, LLC as the permit, transfer, and application holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117027 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit, transfer, and applications to be familiar with the conditions and timelines contained in them.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst
