Re: Instream Lease IL-791

On April 1, 2016, the Department received a request to rescind the termination of IL-719. This lease was previously terminated by the Department on May 19, 2009. However, the termination of this lease was not done at the request of DOC.

The Department agrees that the termination should be rescinded. Enclosed is a copy of the final order rescinding the terminating this instream lease. If you have any questions, please call me at (503) 986-0884.

Sincerely,

Laura Wilke
Flow Restoration Program Coordinator
Transfer and Conservation Section

cc: Joel Plahn, Watermaster District 16
File IL-791
