SEE ADDENDUM

Any "layered" water use or a right that is supplemental to a primary right proposed for transfer **must be included in the transfer or be cancelled.**

▪ Certificate Number or other identifying number: **80971**

The following information must be provided only for those points of diversion or appropriation that are involved in the transfer.

If a point of diversion or appropriation is not numbered on the decree or water right certificate or permit, assign it a unique number in the following table (e.g. POD #1 or POA(well) #1). Use the number to refer to the point of diversion or appropriation serving the place of use described in Tables I and II. Note: Permanent district transfers do not allow for a change in point of diversion or appropriation to serve the proposed place of use.

Government lot and donation land claim numbers must be included in the table below **only** if the information is reflected on the existing water right.

Location of Existing Authorized Point(s) of Diversion (POD):
 (i.e., the allowed point(s) of diversion listed on the water right for the "FROM" or "OFF" lands)
