Dear Transfer Department,
Farmers Irrigation District is submitting the included application and supporting documentation for our 2016 transfer in change of place of use. We have included a check in the amount of \$3,250.00 for the application fee, check # 23370.

There are approximately 34 properties involved in the transfer application. Owners are removing some or all rights, or, are moving water rights around their property.

There are three primary certificates involved, certificate 74306 which has no District supplemental rights and certificate 85974 which has several District supplemental rights which include certificates 74299, 74302, 85975 and 85976.

There are 3 private non-district water rights involved in this transfer for properties that are also have district certificated water rights.

Please contact me with any questions.

Sincerely,
