Dear Meg:

Thank you for participating in the Short-Term Instream Leasing Program. The Department would like to express appreciation for your participation in this program and cooperation in helping to improve streamflows for fish and aquatic life.

During the review process, the Department identified that the irrigation season, instream rate, and instream volume, identified in the Final Order approving IL-44, evidenced by Special Order Volume 78, Page 368, require modification. Therefore, the Department has assigned the application a new lease number, IL-1574, to differentiate it from the original lease.

Enclosed is a copy of final order approving the renewal of instream lease application IL-1574. If you have any questions, please call me at (503) 986-0884.

Sincerely,

*Lanaya Blakely*
