Re: Termination of IL-1508 / MP-206

On March 9, 2016, the Department issued an order approving IL-1508 and Mitigation Project MP-206. The mitigation project was awarded 74.7 mitigation credits for use in the Middle Deschutes and General Zones of Impact.

On January 30, 2016, the Department received a request from the DRC Mitigation Bank and the Central Oregon Irrigation District to terminate the instream lease and mitigation credit project. The lease has been terminated by the Department, effective March 8, 2017, and the mitigation credits awarded to this project will no longer be valid as of October 31, 2017.

Enclosed is a copy of the final order. If you have any questions, please call me at (503) 986-0898.

Sincerely,

Kate Fitzgerald
