On May 14, 1974, at about noon, Mrs. Saries telephoned regarding this transfer and also T - 2834 which was filed June 13, 1973 by Mr. & Mrs. Saries.

Transfer 2834 was for the same change as filed herein. The balance of fees due for 2834 were submitted along with a replacement application and filed as transfer 3009.

Mrs. Saries has requested that we credit transfer 2834 with the fees applied to 3009.

This will put 2834 in proper order and sufficient fees paid accordingly.

Mrs. Saries will submit a letter authorizing this switching of fees to 2834 from 3009.
