Reference: Transfer T-12065

The assignment from International Paper Company to City Of McMinnville, an Oregon municipal corporation, acting by and through its Water and Light Commission has been recorded in the records of the Water Resources Department.

The Departments records will now show City Of McMinnville, an Oregon municipal corporation, acting by and through its Water and Light Commission as the transfer holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 119073 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Please note that this transfer requires complete application of water to the proposed use by October 1, 2046, and within one year after complete application of water to the proposed use, the applicant shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,

Jerry Sauter  
Water Rights Program Analyst
