Reference: Transfer T-11056

The assignment from Fishhawk Lake Water Company to Fishhawk Lake Reserve and Community has been recorded in the records of the Water Resources Department.

The Departments records will now show Fishhawk Lake Reserve and Community as the transfer holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 120312 covering the recording fee is also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
