

Checklist for District Transfer Intake – Division 385

Permanent or Non-Use district transfers are for POU *ONLY*.

Temporary district transfers can include changes in POD/POA (to facilitate a change in POU) and are limited to a single year.

Please assure a “Supplemental Form A” is included for each water right involved, and that all required attachments are completed and included.

Note: Generally speaking, we prefer not to return district applications for deficiencies; if it is questionable, please check with the District Transfer Program advisor before returning the application.

- Identify the type of district transfer application. (Note: a “District Notice” **is not** an application, but at the after the end of the irrigation season, District Permanent Applications may include copies of prior District Notices.)

Sometimes districts inadvertently use parts of two different types of transfer forms when filing. If not sure if a district is submitting a Transfer Notice or a District Transfer, or if not sure if a district is submitting a District Temporary or District Permanent Transfer, or not sure if a district is submitting a regular transfer or a District Transfer, **please contact Ann or Joan.**

- Is the use proposed for transfer irrigation or supp'l irrigation? **If not please contact Ann or Joan.**

These items need to be included in the district transfer application:

- Transfer Application communicating rights affected and includes signature.
- POU listing – both “authorized/from” and “proposed/to”. Multiple formats accepted.
- POD/POA listing – if temporary – both “authorized/from” and proposed/to”

Land Use Information Form – Not required if (a) for place of use change only (b) existing and proposed water use is located entirely w/in EFU or w/in an irrigation district (c) The change does not involve the placement or modification of structures, including but no limited to water diversions, impoundments, distribution facilities , water wells and well houses and (d) application involves irrigation water uses **ONLY**.

- Maps - – both “authorized/from” and “proposed/to” (From and to can be on same map.)
NOTE- districts are authorized to submit the maps in multiple digital formats and often submit maps via email. If maps are not submitted, please contact Ann or Joan.
