)	ADDITIONAL POINT OF
)	APPROPRIATION

Authority

Oregon Revised Statutes (ORS) 537.705 and 540.505 to 540.580 establish the process in which a water right holder may submit a request to transfer the point of appropriation, place of use, or character of use authorized under an existing water right. Oregon Administrative Rules (OAR) Chapter 690, Division 380 implement the statutes and provides the Department's procedures and criteria for evaluating transfer applications.

Findings of Fact

1. On January 26, 2017, THOMAS AND MARGARET BARNETT filed an application for an ADDITIONAL POINT OF APPROPRIATION under Certificate 33549. The Department assigned the application number T-12578.
2. Notice of the application for transfer was published on January 31, 2017, pursuant to OAR 690-380-4000. No comments were filed in response to the notice.
3. On November 29, 2017, the Department sent a copy of the draft Preliminary Determination proposing to approve Transfer Application T-12578 to the applicants. The draft Preliminary Determination cover letter set forth a deadline of December 29, 2017, for the applicants to respond. The applicants requested the completion date be extended to October 1, 2023 and for the Department to proceed with issuance of a Preliminary Determination and provided the necessary information to demonstrate that the applicant is authorized to pursue the.

4. The right to be transferred is as follows:

Certificate: 33549 in the name of EDWARD P. KRUPICHA (perfected under Permit G-1774)
Use: IRRIGATION of 71.5 ACRES
Priority Date: JANUARY 23, 1961

Pursuant to OAR 690-380-4030, any person may file a protest or standing statement within 30 days after the last date of publication of notice of this preliminary determination.

Transfer Review Criteria (OAR 690-380-4010)

6. Water has been used within the last five years according to the terms and conditions of the right. There is no information in the record that would demonstrate that the right is subject to forfeiture under ORS 540.610.
7. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right were present within the five-year period prior to submittal of Transfer Application T-12578.
8. The proposed change would not result in enlargement of the right.
9. The proposed change would not result in injury to other water rights.
10. All other application requirements are met.

Determination and Proposed Action

The additional point of appropriation proposed in Transfer Application T-12578 appears to be consistent with the requirements of ORS 537.705 and 540.505 to 540.580 and OAR 690-380-5000. If protests are not filed pursuant to OAR 690-380-4030, the application will be approved.

If Transfer Application T-12578 is approved, the final order will include the following:

1. *The additional point of appropriation proposed in Transfer Application T-12578 is approved.*
2. *The right to the use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificate 33549 and any related decree.*
3. *Water right Certificate 33549 is cancelled.*
4. *The quantity of water diverted at the additional point of appropriation, together with that diverted at the original point of appropriation, shall not exceed the quantity of water lawfully available at the original point of appropriation.*
5. *Water shall be acquired from the same aquifer (water source) as the original point of appropriation.*
6. *Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2023**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the change and full beneficial use of the water.*
7. *After satisfactory proof of beneficial use is received, a new certificate confirming the right transferred will be issued.*
