Dear Caylin:

Thank you for participating in the Short-Term Instream Leasing Program. The Department would like to express appreciation for your participation in this program and cooperation in helping to improve streamflows for fish and aquatic life.

During review of the application the Department discovered scrivener's errors in the previous order as it did not account for the 3% losses. This order has been re-assigned a new lease number (IL-1703) to differentiate it from the previous order.

Enclosed is a copy of final order approving the renewal of instream lease application IL-1703. If you have any questions, please call me at (503) 986-0892.

Sincerely,

Joan M Smith
