**Reference: C3091 Ray Cameron Historic POD Transfer, Lostine River, Lostine Oregon**

To whom it may concern,

I have checked the District 7 Watermaster Records, and I find no history of a complaint about Certificate 3091 using a pump station near Caudle Lane road as an Additional Point of Diversion. The Wallowa River Decree names the POD for Certificate 3091 as the Polley Allen Ditch. It appears that the Pump Station on Ray's property has been used as an Additional POD to irrigate his portion of Certificate 3091 for well over 10 years.

Sincerely,

David Bates, District 7 Watermaster
