The following information must be provided only for those points of diversion or appropriation that are involved in the transfer.

If a point of diversion or appropriation is not numbered on the decree or water right certificate or permit, assign it a unique number in the following table (e.g. POD #1 or POA(well) #1). Use the number to refer to the point of diversion or appropriation serving the place of use described in Tables I and II. Note: Permanent district transfers do not allow for a change in point of diversion or appropriation to serve the proposed place of use.

Government lot and donation land claim numbers must be included in the table below only if the information is reflected on the existing water right.

Location of Existing Authorized Point(s) of Diversion (POD) or Appropriation (POA):
