Thank you for participating in the Short-Term Instream Leasing Program. The Department would like to express appreciation for your participation in this program and cooperation in helping to improve streamflows for fish and aquatic life.

Enclosed is a copy of final order modifying the previous order for split season instream lease application SL-42. This order more accurately reflects the return flows in the Willowa River. If you have any questions, please call me at (503) 986-0881.

Sincerely,
