Reference: Transfer T-8249

The assignment by proof from Jackson Farms, LLC to OrCon, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show OrCon, LLC as the transfer holder of record.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Please note that this transfer required complete application of water to the proposed use by October 1, 2005, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,
