6. SIGNATURES

The district certifies the following:

- (1) The water right(s) proposed for transfer is a water right(s) subject to transfer and has not been forfeited for nonuse under ORS 540.610;
- (2) Each user affected by the proposed transfer has provided written authorization for the transfer and such authorization is on file with the district; and
- (3) The district has notified each affected user that the Department may condition or reject the transfer at any time to the extent necessary to avoid injury to an existing water right, and that the use of water on lands from which the water right is transferred (authorized place of use) and at the proposed place of use during the same irrigation season or calendar year may subject both the user and district to civil penalties.

On behalf of the district, I affirm that the information contained in this application is true and accurate.

The following information **must be provided only** for those points of diversion or appropriation that are involved in the transfer (i.e., **list only the portion of the water right you propose to transfer.**) Attach additional pages as necessary.

A Point of Diversion (POD) describes the location of diversion from a surface water source.

A Point of Appropriation (POA) describes the location of appropriation from a ground water source or well.

If a point of diversion or appropriation is not numbered on the decree or water right certificate or permit, assign it a unique number in the following table (e.g. POD #1 or POA(well) #1). Use the number to refer to the point of diversion or appropriation serving the place of use described in Table I (Authorized Place of Use) and Table II (Proposed Place of Use).

Location of Existing Authorized Point(s) of Diversion or Appropriation to be Changed:

(i.e., the allowed point(s) of diversion or appropriation listed on the water right that will be affected by the proposed transfer, the "OFF or FROM" point(s) of diversion or appropriation)

Government lot(GOV" T LOT) and donation land claim numbers (DLC) must be included in the table below **only** if the information is reflected on the existing water right.

RE: District Temporary Transfer Application
Our File No. 130945-220250

Dear Dwight and Ann:

I have been authorized to file the enclosed Application for District Temporary Water Right Transfer with supporting documentation on behalf of Columbia Improvement District. The application has been signed by the district's manager, Mark Maynard.

Please charge the application fee of \$1631.80 (digital fee) to Schwabe, Williamson & Wyatt's account with the Department.

I ask that you please copy me on all future correspondence related to this application. I have worked in close coordination with representatives of the district and the receiving landowner in preparing this application.

The proposed place of use has existing groundwater rights that will not be exercised during the term of the district temporary transfer.

Thank you for your assistance.

Best regards,

Shonee D. Langford
