**SUBJECT:** Allocation of Conserved Water Application CW-105

Please find enclosed the Preliminary Determination indicating that, based on the information available, the Department intends to approve Conserved Water Application CW-105.

If no protest is filed, the Department will issue a Final Order consistent with this Preliminary Determination. You should receive a copy of the Final Order shortly after the close of the protest period for the conserved water application.

If a protest is filed, the application may be referred to a contested case proceeding. A contested case provides an opportunity for the proponents and opponents of the decision proposed in the Preliminary Determination to present information and arguments supporting their position to the Water Resources Commission.

Please do not hesitate to contact me at 503-986-0881 or [teri.k.hranac@oregon.gov](mailto:teri.k.hranac@oregon.gov), if I may be of assistance.
