Re: Termination of IL-1450 / MP-196

On June 19, 2015, the Department issued an order approving IL-1450 and Mitigation Project MP-196. The mitigation project was awarded 360.0 mitigation credits for use in the Little Deschutes Zone of Impact, of that amount up to 334.8 could of also be used in the Upper Deschutes, Middle Deschutes and General Zones of Impact.

On February 21, 2019, the Department received a request from the DRC Mitigation Bank and Wanek Ranch LLC to terminate the instream lease and mitigation credit project. The lease has been terminated by the Department, and the mitigation credits awarded to this project will no longer be valid as of December 31, 2018.

Enclosed is a copy of the final order. If you have any questions, please call me at (503) 986-0884.

Sincerely,

Sarah Phillips
