Re: Termination of IL-1578 / MP-216

On March 23, 2017, the Department issued an order approving IL-1578 and Mitigation Project MP-216. The mitigation project was awarded 39.6 mitigation credits for use in the General and Middle Zones of Impact.

On February 15, 2019, the Department received a request from the DRC Mitigation Bank and DRRG to terminate the instream lease and mitigation credit project. The lease has been terminated by the Department, and the mitigation credits awarded to this project will no longer be valid as of December 31, 2018.

Enclosed is a copy of the final order. If you have any questions, please call me at (503) 986-0884.

Sincerely,

Sarah Henderson
