Dear Rob:

Thank you for participating in the Short-Term Instream Leasing Program. The Department would like to express appreciation for your participation in this program and cooperation in helping to improve streamflows for fish and aquatic life.

During review of the application, the Department discovered scrivener's errors in the previous order and they are corrected in this order. The rate and season of use for the water protected instream did not change.

Enclosed is a copy of final order approving the renewal of instream lease application IL-1703. If you have any questions, please call me at (503) 986-0892.

Sincerely,

Teri Hranac
