Twp	Rng	Mer	Sec	Q-Q	Measured Distances
7 S	3 W	WM	11	SE NW	POTTS WELL - 2559 FEET SOUTH AND 1254.9 FEET EAST FROM THE NW CORNER OF SECTION 11

7. Groundwater Registration Modification Application T-13101 proposes to modify the location of the original point of appropriation approximately 3.1 miles from the original well to:

Twp	Rng	Mer	Sec	Q-Q	Measured Distances
6 S	3 W	WM	26	NE SE	WELL #20 - 2509.6 FEET NORTH AND 441.6 FEET WEST FROM THE SE CORNER OF SECTION 26

Review Criteria for Groundwater Registration Modification Applications [OAR 690-382-0700(2)]

8. The proposed modification would not result in enlargement of the groundwater registration.
9. The proposed modification would not result in a state Scenic Waterway not receiving previously available water during periods in which streamflows are less than the quantities determined by the Department to be necessary to meet the requirements of ORS 390.835.
10. The proposed modification would not result in injury to other water rights.

Determination and Proposed Action

The modification in point of appropriation proposed in Groundwater Registration Modification T-13101 appears to be consistent with the requirements of ORS 537.610, 537.705, 540.505 to 540.580 and OAR 690-382-1000. If protests are not filed pursuant to OAR 690-382-0900, the modification will be approved.

If Groundwater Registration Modification T-13101 is approved, the final order will include the following:

1. *The modification to Registration Application GR-3066 (Certificate of Registration GR-2869) proposed in Groundwater Registration Modification Application T-13101 is recognized. Recognition of the modification shall not be construed as a final determination of the right to appropriate groundwater under the certificate of registration or modification. Such a determination will occur in an adjudication proceeding under ORS 537.670 to 537.695.*
2. *The use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Registration Application GR-3066 (Certificate of Registration GR-2869) and any related decree.*
3. *Water shall be acquired from the same aquifer (water source) as the original point of appropriation.*
4. *Water shall no longer be appropriated from the original point of appropriation as part of this groundwater certificate of registration.*

5. *The quantity of water diverted at the new point of appropriation (Well #20), shall not exceed the quantity of water lawfully available at the original point of appropriation (Potts Well).*

SUBJECT: Water Right Transfer Application T-13101

Please find enclosed the Preliminary Determination indicating that, based on the information available, the Department intends to approve application T-13101. This document is an intermediate step in the approval process; water may not be used legally as proposed in the transfer application until a Final Order has been issued by the Department. Please read this entire letter carefully to determine your responsibility for additional action.

A public notice is being published in the Department's weekly publication and in the Keizertimes newspaper, simultaneously with issuance of the Preliminary Determination. The notice initiates a period in which any person may file either a protest opposing the decision proposed by the Department in the Preliminary Determination or a standing statement supporting the Department's decision. The protest period will end 30 days after the last date of newspaper publication.

If no protest is filed, the Department will issue a Final Order consistent with the Preliminary Determination. You should receive a copy of the Final Order about 30 days after the close of the protest period.

If a protest is filed, the application may be referred to a contested case proceeding. A contested case provides an opportunity for the proponents and opponents of the decision proposed in the Preliminary Determination to present information and arguments supporting their position in a quasi-judicial proceeding.

Please do not hesitate to contact me, at corey.a.courchane@oregon.gov or (503) 986-0825, if I may be of assistance.

Sincerely,

Corey Courchane
