Oregon Water Resources Department
District Transfers
Attn: Ms. Ann Reece
725 Summer Street NE, Suite A
Salem, OR 97301

Dear Ms. Reece:

Enclosed please find an application for a District Temporary Water Right Transfer by the Columbia Improvement District on behalf of Easterday Farms Dairy, LLC (transferor/transferee) and Canyon Farm II, LLC (transferee). This application places water in areas that were dried up by Boardman Tree Farm for roads that lie within the area now covered by center pivot and transfers water to a small center pivot on a temporary basis located on Canyon Farm II, LLC property.

One item of note, the delivery system and map for the Columbia Improvement District ("CID") shows the original boundaries of CID. CID is currently in the midst of expanding its boundaries and has approved several applications for inclusion and has several in process. For this reason, updated boundary map is not yet available. The original boundaries will not be reduced or negatively impacted in any way. All properties within the original boundary of CID will continue to be within the bounds of the District.

On the following page, you will find a complete list of the items included with the application package. Please do not hesitate to reach out if you have any questions or concerns.

Kind regards,

Lindy Widner
