3. TYPE OF CHANGE PROPOSED

Please check all that apply

Point of Diversion or	Place of Use	Character of Use					
Appropriation		(n/a for Permit Amendments)					
 □ Change (The old point of diversion or appropriation will not be used for the portion of the water right affected by the transfer.) ☑ Additional (Both the old and new points of diversion or appropriation will be used for the portion of the water right affected by the transfer.) □ Historic Point of Diversion (Unauthorized point of diversion used for more than 10 years.) 	☐ All, or a portion, of the right will be exercised at a different location than currently authorized. (Use of water at the current location will be discontinued.) ☐ Exchange (Water from another source will be used in exchange for supplying an equal amount of replacement water to that source.)	Proposed new use: Irrigation					
Surface Water to Ground Water (A new point of appropriation will be used instead of the old point of diversion and not as an additional point of appropriation.)		☐ Substitution (A supplemental ground water right will be substituted for a primary surface water right.)					
Reason for changes: The stream channel migrated, and a new diversion system is going to be installed to ensure fish passage. Describe the <i>current</i> water delivery system. Include information on the pumps, canals, pipelines and sprinklers used to divert, convey and apply the water at the authorized place of use. The description must be sufficient to demonstrate that the full quantity of water to be transferred can be conveyed from the authorized source and applied at the authorized location and that the applicant is ready,							
The water is diverted from a pu	e the right. (Not applicable to application shup dam and pumped to a storage of the place of use for irrigation.						
	16.0						

System capacity: 3 or more cubic feet per second (cfs)

Attach one or more **Evidence of Use Affidavits** (Supplemental Form A) demonstrating that each of the right(s) involved in the transfer have been exercised in the last five years or that a presumption of forfeiture for non-use could be rebutted.

(Not applicable to applications for Permit Amendments.)
