SUBJECT: Allocation of Conserved Water Application CW-113

Please find enclosed a copy of the Final Order on Completion of Allocation of Conserved Water CW-113. Please note the deadline for filing the Request for Finalization of November 2023. This date has not changed since the approval order; however, there is nothing to prevent Dee Irrigation from submitting the Request for Finalization earlier than that date.

At this phase in the process, all of the conserved water is being managed instream.

Please do not hesitate to contact me at 503-986-0881 or teri.k.hranac@wrđ.state.or.us, if I may be of assistance.

Sincerely,

Teri Hranac
