## **Groundwater Transfer Review Summary Form**

| Transfer/PA # T- <u>13394</u>  |
|--|
| GW Reviewer J. Hackett Date Review Completed: August 3, 2020   |
|  |
| Summary of Same Source Review:   |
| ☐ The proposed change in point of appropriation is not within the same aquifer as per OAR 690-380-2110(2).   |
| Summary of Injury Review:  |
| ☐ The proposed transfer will result in another, existing water right not receiving previously available water to which it is legally entitled or result in significant interference with a surface water source as pe 690-380-0100(3). |
| Summary of GW-SW Transfer Similarity Review:   |
| ☐ The proposed SW-GW transfer doesn't meet the definition of "similarly" as per OAR 690-380-2130.  |
| This is only a summary. Documentation is attached and should be read thoroughly to understand the  |
