Totals										

N/A A map depicting the lands identified above that meets the standards in OAR 690-310-0050 (required if out-of-stream use table completed).

The above applicant requests that the allocation of conserved water be finalized. The applicant further requests that the Director issue:

1. A superseding certificate as provided for in the order approving the allocation of conserved water;
2. A certificate for an instream water right for the state's portion of the conserved water; and
3. An order allowing:
  - a. The use of any portion of the conserved water allocated to the applicant, at the location and for the type of use identified in the tables above; and
  - b. The use and management as an instream water right of any conserved water being leased, dedicated, or temporarily reserved instream.
