SUBJECT: Allocation of Conserved Water Application CW-117

Please find enclosed a copy of the Final Order of Approval of Allocation of Conserved Water CW-117.

Please note the Order contains corrections that were not captured in the Preliminary Determination. However, the corrections do not alter or adjust the allocation of the conserved water. The corrections were as follows:

- a. Finding of Fact #34: included dates for filing the Notice of Completion and the Request for Finalization. Corrected the Finding of Fact #s associated with this documentation.
- b. Finding of Fact #35: corrected the Finding of Fact associated with this documentation.
- c. Under the Determination and Proposed Action now called Conclusions of Law: corrected the Findings of Fact #s associated with the documentation for Paragraphs 1, 2, and 3.

As I mentioned, these corrections are not substantive in nature but we wanted to be totally transparent. Please do not hesitate to contact me at 503-979-9896 or teri.k.hranac@oregon.gov, if I may be of assistance.

Sincerely,

Teri Hranac
