Reference: Transfer T-8323

The July 16, 2021, assignment by proof from Gari and Joanne Price to Gregory Colozzi is rescinded. Additional review determined that the assignment request for the entirety of the transfer was in error, and should have been requested as a partial assignment.

The partial assignment by proof from Gari and Joanne Price to Gregory Colozzi and Rachelle Lequerica has been recorded in the records of the Water Resources Department.

The Departments records will now show Gari and Joanne Price, and Gregory Colozzi and Rachelle Lequerica as the transfer holders of record.

Our records have been changed accordingly and the original request is enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Sincerely,

Mary F. Bjork
