Re: West Extension Irrigation District
Permanent District Transfer

Ann:

I have enclosed a new District Permanent Transfer. You can see these are for subdivisions and we are moving houses and driveways. We have done temporary transfers over the past few years and are now ready to file this permanent transfer.

I will follow with better maps once we get them back from our mapper. It will be after the first of the year.

Additionally, some of these lands are confiscated acres. Lisa has the documents for the forfeiture process and they will be sent out next week.

I note that three of the parcels that are receiving water on this transfer are part of the rights removed from T-10998. They are T5NR27E Section 22 Tax lots 809, 810, and 811.

We look forward to working with you on this. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Bev Bridgewater".

Re: West Extension Irrigation District
Permanent District Transfer T-13334

Ann:

This letter is in regards to the recently filed District Permanent Transfer, T-13334. Please find amended pages enclosed.

- 1) Pages 17, 28, and 36 are amended to correct the acres in two quarter-quarter sections that are proposed to User McNamee. These affect Certificates No. 79926 (primary), 87872 (supplemental), and 79929 (supplemental). As you will see, the total number of acres proposed for McNamee do not change; just the distribution between the two quarter-quarter sections.
- 2) The maps for this application have been completed by our mapper at JUB Engineers. They are enclosed.

This should complete the application and allow you to move forward with the next steps. Thank you and let me know if there are questions.

Sincerely,

A handwritten signature in black ink that reads 'Bev Bridgewater'. The signature is written in a cursive, flowing style.

Re: West Extension Irrigation District
Permanent District Transfer T-13334

Ann:

In regards to T-13334, I have made the following corrections:

- 1) Removed 0.15 proposed acres of water rights for both the Pratt and Robbins properties in T4N R25E Section 22 for a total of 0.30 acres.
- 2) Placed these 0.30 water rights acres on the McNamee ground in T5N R26E Section 26.

Pages 17, 28, and 36 of the original application are amended for these corrections and are enclosed.

Maps showing these corrections are enclosed.

All landowners have been contacted about these changes. Thank you and I believe this will complete the application for T-13334.

Sincerely,

A handwritten signature in black ink that reads 'Bev Bridgewater'. The signature is written in a cursive, flowing style.
