RE: File No. D-125

Dear Mr. Terry:

A folder by folder search of the files for water right transfer applications turned up the fact that we have been holding unearned fees received from you in connection with your transfer application No. D-125 in the amount of \$28.92.

The application was returned to you by our letter of July 25, 1967, a copy of which is enclosed. We assume that you decided not to go ahead with the application even though we have not heard from you. Therefore, our refund check No. 3770 in the amount of \$28.92 is enclosed.

Sincerely,

James W. Carver, Jr.
Engineer
