RE: Files No. T-3027, T-3028

Dear Mr. Morgan:

Since you have filed a new transfer application for approval of a proposed change in point of diversion for your portion of the irrigation right from North Myrtle Creek, described by the certificate issued to North Myrtle Irrigation Company and recorded at page 44047, Volume 36, State Record of Water Right Certificates, we assume you are no longer interested in the changes proposed by the prior transfer applications Nos. 3027 and 3028, filed on May 6, 1974, by Fibreboard Corporation, as discussed with you by telephone and by letter. Therefore, we are closing the files on transfer applications Nos. 3027 and 3028 and have enclosed our refund check No. 2616 in the amount of \$90, payable to Casey Morgan Corporation, as successors in interest to the Fibreboard Corporation.

Sincerely,

James W. Carver, Jr.  
Engineer
